### The Show Calendar

The next show we will attend is the Region 2 Championship Show near Traverse City, September 9-11. It is not far away if you want to join us at the ring. See a list of riders below who will be showing in the championship classes. These riders and others from CAEC will also ride in the open classes. As the show season winds down we thank you for your cooperation at the show grounds and in route. It has been a busy season. Thanks to all who helped with chores at the barn during the shows. Thanks to all of the volunteers at the Centennial Acres Dressage Show on July 31.

### The "Big Barn"

Many of you have been at the farm during the retarping of the stall barn/indoor arena. We have known for some time that the material was defective and would have to be replaced. At this writing it is an ongoing process. Thanks for being flexible while the Sky Tracks were on site, the horses were out of their stalls, and the indoor arena was inaccessible. If you did not see it happen, we've included a few pictures on the second page. At this time the ends and the two overhead tarps are in place. There is work to be done on the "wall" between the arena and the loft.

The following riders qualified to participate in the championship classes at the **2010 Great American Insurance Group/USDF Region 2 Dressage Championships & Dressage by the Bay Fall Classic** in Williamsburg, MI, September 10 -11:
